Considering the tags include psychological horror, they were very true about this. The fact of knowing the Neko girls could never be real hurts everyone's heart all the way to their core. Furthermore, knowing the the nekopara franchise will eventually end it just heart breaking, and makes you feel hopeless about everything. Knowing that I'd have to wait for vol 4 to come out eventually causes so much levels of anxeity predicting what's going to happen in the future of the nekopara franchise.. moe moe nyan nyan...

if you own the OVA this is a very nice 20 minute extra, full of cuteness.. Sayori and the entire crew of Nekoworks definitely delivered! It's really funny that out of all the kickstarters that I've backed, an anime about catgirls is the one that was able tomeet 100% of my expectations.

This OVA is just a delight to watch. Cute Cat Girls doing Cute Cat Girl things at its pure form. Young Choco, Vani, Coco were adorable and so were Azuki, Maple, and Cinammon <3. I paid \$5 for this. Pekná ova páčila sa my. Very exciting, now I'm touching myself

You can sell the trading cards and almost earn back your money.. Top 10 anime films made viewers nose bleeds. xD. steam say final release both ova and the game
