Hey, devs of this game, if you are reading this, lol, this is good and all, but the 20 seconds, no, just no... lol. So what I mean by that is, you have 20 seconds to kill all the zombies, the gun doesn't do a one shot headshot kill more than half the time. And you spend 10 seconds walking. There are 5 enemies 10 divided by 5 zombies equals 2 seconds, 2 seconds for each zombie, lol. Please make it thirty seconds. thanks! if I got a million dollars for everytime I said lol. I would have like 3M. 4/10
